Dumper Truck - under 5 tonnes

COURSE

REQUIREMENTS:

1. Notebook and pen
 2. Appropriate safety wear.
- All other materials are provided on the course

TESTING &

CERTIFICATION

At the end of this course the standard ITSSAR practical and theoretical test where possible will be conducted for the equipment. This is the current recognised and recommended standards practical operators test. Operators are issued with an encapsulated wallet and full sized certificate. Companies are issued with an A4 sized certificate, the trainees original practical and theoretical test marking sheet, course record and written trainee report where appropriate, as proof of training.
